

Update Sward/Platt Consolidation 7/7/2016

The PUD has hired a new engineer to finish this project. We are currently working with the engineer on the design of the configuration of the consolidation.

Our plan is to have the Water System Plan and Project Report submitted to Department of Health (DOH), Drinking Water by August 8, 2016. DOH has 60 days to review and comment.

Other key target dates are:

Start bidding process for construction: January 9, 2017

Construction starts: March 1, 2017

Completion of project: March 31, 2017
